I have had an opportunity to discuss with the French Chiropractic provider and/or with other office or clinic personal the nature and purpose of the procedures.

I understand and I am informed that, as is with all healthcare treatments, results are not guaranteed and there is no promise to cure. I further understand and I am informed that, as is with all healthcare treatments, there are some risks to treatment, including but not limited to, muscle spasms for short periods of time, aggravating and/or temporary increase in symptoms, lack in improvement of symptoms, fractures, disc injuries, strokes, dislocations and sprains. However, like all other health modalities, results are not guaranteed and there is no promise to cure.
